

Staffing Change at Southside Ashpole Elementary

Rowland, NC (July 1, 2019) – Achievement for All Children (AAC) announced today that Bruce Major, Principal at Southside Ashpole Elementary in Rowland, NC, has resigned from his position effective July 1, 2019. Prior to coming to Southside Ashpole, Major held multiple leadership positions at schools in China. Major has decided to return his focus to international education and has accepted a position abroad.

“Bruce has done an exceptional job serving the students of Southside Ashpole and will be greatly missed,” said Tony Helton, CEO of AAC. “He gave his heart and soul into moving the needle at Southside Ashpole and building strong relationships in the community. We appreciate all that he has done and wish him well in his future endeavors.

Mr. Major was hired as principal of Southside Ashpole in July 2018 after AAC was selected by the Innovative School District (ISD) to operate Southside Ashpole and improve school performance. AAC is grateful for the support of the staff and local community during the 2018-19 school year. We are currently in the process of identifying and hiring a strong and passionate leader to propel Southside Ashpole to success in the 2019-20 school year and beyond.

We applaud State Board of Education (SBE) and the ISD for being true pioneers in education and working so diligently to ensure that all children have opportunities to learn, grow, and reach their full potential. AAC is grateful for the trust the SBE and ISD have given the organization and look forward to the continued partnership.
